UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

MICHAELA MANAGO and QUENTIN PAUL
GARCIA,

Plaintiffs,

vs.

HAP TRUCKING LTD; and GURHAM
SINGH GILL,

Defendants.

Case No.: 2:24-cv-01496-TLN-CKD

**STIPULATION AND ORDER RE
MODIFICATION OF PRETRIAL
SCHEDULING ORDER**

THE PARTIES, THROUGH THEIR COUNSEL OF RECORD, agree to the following
modifications to the Court's Pretrial Scheduling Order:

1. The parties have acted diligently throughout this matter, but due to a number of outstanding
legal and discovery issues, the parties agree that additional time is necessary to complete
discovery and prepare the matter for trial. The outstanding issues include:

a. Additional time will permit the parties to continue with meaningful discovery and
investigation and to coordinate depositions of party witnesses, third party witnesses,
and medical treaters;

b. Due to circumstances outside the control of Plaintiff Michaela Manago, her previously
scheduled deposition will have to be continued to late November or early December

2025.

c. The parties are also in the process of scheduling multiple person most knowledgeable depositions on behalf of defendant.

d. Plaintiff Michaela Manago continues to treat and recover from her collision related injuries, and she expects that there will be a substantial change in her treatment and/or recovery near and/or after the close of discovery; and

e. The parties have also agreed to mediate this matter with Ernest Long, Esq., and due to Mr. Long's impacted scheduled, mediation has been scheduled for January 20, 2026;

2. The parties agree that they have proceeded in good faith, and any delay is not due to a lack of diligence. The parties have propounded and responded to discovery, and depositions have been taken, however further discovery is necessary. The parties expect that additional discovery, and depositions will be necessary thereafter.

3. The parties also agree that extending these cut off dates to a time period after mediation will be beneficial to and support potential settlement in that the parties will not have been forced to expend substantial sums on expert discovery that may otherwise impede potential resolution.

4. The parties agree that this extension is in the interests of judicial economy.

5. Subject to court approval, the parties have agreed to the following deadlines regarding discovery, expert discourse and the filing of dispositive motions:

a. Discovery, with the exception of expert discovery, shall be completed by March 19, 2026

b. The initial expert disclosure deadline shall be May 21, 2026

c. The supplemental expert disclosure deadline shall be July 2, 2026

d. Supplemental disclosures and responses pursuant to FRCP § 26(e) shall be exchanged no later than August 6, 2026

e. Dispositive motions shall be filed no later than September 10, 2026
